CAMPAIGN AGAINST THE SERVICE CHARGE

DON'T PANIC DON'T PAY!

The latest letters from the council threatening to discontinue the waste collection service is just another example of their bully boy tactics! Their statistics are lies. Figures that the campaign has received under the Freedom of Information Act, show that only 1 in 5 households have paid in full. 80% of households have not paid up in full or at all. The 33% that they are threatening have paid less than €200.

We are the majority and if we stand together we can win!

Over 400 have attended public meetings in the Dundrum/Ballinteer area over the last two weeks. The mood at these meetings was angry and resolute. We will not pay and we will fight the council every inch of the way to ke our service.

The campaign is urging local groups to do the following:

Meet & Greet the Bin Lorries. The bin men are on our side. They know that bin charges are just the next step the road to privatisation. This battle is as much about their jobs as it is about our service. The experience of the Dublin City Campaign is that where the campaign is strong, talking to bin men and accompanying them on their rounds has been enough to ensure full collection.

If the service is discontinued we will need to follow the example of the campaign in Fingal and Dublin City ensure Collect one Collect them All!

Remove all markings from your bins: We have heard that the council may try and take the bins back from households that have not paid the charges. This is a difficult task for them because they will have to be very sur they get the right bins. Let's make it as difficult as possible for them by removing the serial number and any identifying markings you have on your bin.

Free Joe and Clare: The jailing of Joe Higgins and Clare Daly is an absolute disgrace. Not one Ansbacher account holder has ended up in court but in the last week more than two dozen anti bin charge campaigners have been up in court and two are now behind bars. The Dail reconvenes next Monday – The campaign has called for protest outside Dail Eireann on Tues 30 September at 6 30pm. Let them here our anger – One Law for the Rich One for the Poor is not acceptable!
